After almost 3 years of planning, it is hard to believe we are back from our trip to Israel. I am sure many of you have already seen some pictures of this most amazing and action packed trip to the Holy Land!

the shores near Tel Aviv and Jaffa to the hills of Jerusalem and Masada. The goal? Get connected...see the land and meet the people up close and personal. We wandered around...Wanderlust! We found ourselves wrapped up in the beauty of the land and the pain of our past. It was exhilarating....and exhausting!

This journey reminded me of the Torah Book of **B'Midbar**, in the Desert or Wilderness, or Numbers. Why? Where were we? Wandering in the Desert. Our trip took us all over Israel from the north in the Golan and Kinneret, to the south reaching the peak of Masada and the low valleys of the Negev and the Dead Sea. We traveled from

After spending time driving through history on our 10-day journey, I found myself looking for a connection and inspiration. Israel the Bride as we sing on Shabbat, meeting with Hashem. At the **Western Wall** on our first Friday night in Jerusalem, Shabbat was ushered in a very spiritual and feeling way. Special Thank you

Jason Devor and Ron Compton have chosen not to continue serving on our board of directors. On behalf of the Board of Directors and Membership of Congregation Beth Shalom, we extend our sincere thank you to both of these gentlemen who have provided insight and contributions for our synagogue.

We welcome Joan Zak on our Board. Joan will serve as secretary for the Board meetings. Additionally, Dennis Itzkowitz will vacate the Ways and Means position and take over the Membership portfolio. All other board members remain in their positions.

women congregated there. So many people, Jews and non-Jews, singing, dancing, congregating....praying together, praying separately. We are all similar people gathered together to take time to praise the One who gave us Shabbat, a day of rest.

We take the time to do things differently on this day. We work and work and work each day during the week. We rest on Shabbat. We take time for family and to do things we don't normally do during the week. To remember that life is more than work, we remember that we have an opportunity to reconnect. What "hit" me as we were standing at the "Wailing or Western" Wall was that it was not just Shabbat in Israel, but all over the world, but in that moment in time we remember we are not alone!

And so, as the trip came to a close, we, the wandering people of the "Orange Bus" remembered the joy of our trip, the spiritual connection created between the land and its people, and a geographical awareness not experienced before. As we each stated a highlight of the trip at our closing dinner together, I was reminded of the goal. To see firsthand how peoples of different faiths can live together in harmony, in a place we hear and read about daily with so much "tumult" and so much accomplished in a short time. Our views and new experiences changed us all forever!

Adon Olam, Master of the Universe, Summer Vacation is here. May we all continue to do mitzvot for others with the idea of serving the One who makes it all possible. May we continue to observe Shabbat, each in our own way, reconnecting to family, friends, and You.

Have an amazzzzzing July!! See you soon!

President's Message

We are now back from the CBS Israel 2019 trip. A wonderful time and I'm so glad my family went on this trip. So much more appreciation for the land of Israel, people and history that anyone could have imagined. Cantor Bruce talked about our trip, so please take time to read his article and we have several photos included in this publication.

For my article, I wanted to touch on our annual meeting. While we normally cover our synagogue business, I wanted to focus on synagogue security. We introduced Joan Jacobs as our Security Liaison. She has been working very hard, attending webinars and doing much research and is putting together a plan of action for us to follow.

Joan introduced Police Lieutenant Paul Mercado and Sergeant Dan Hatchett, who is a specialist in responses to Active Shooter incidents.

Sergeant Hatchett mentioned that nationwide, the average response time to Priority 1 calls, which are any calls involving life endangerment is 3 minutes. In Corona, response time is 1 to 5 minutes. We are very close to a police station, so response time to us

would be on the low end, but they don't know where officers are at any given time.

The main take-away Lieutenant Mercado spoke about is the importance of keeping vigilant for anything that seems out of order.

Congregants had lots of questions regarding our plans and what is already in place and Joan promised they would be kept informed as developments occur. She mentioned that we have a security committee consisting of David Severson, Joel Friedberg and Sam Miller who are helping her with the planning.

Joan mentioned that we are planning to have an armed guard for all services during High Holy days and an extra light at the end of the building has been installed. We are talking with a security company regarding front door cameras, and our

Remembering Dr. Elliott Barkan

Congregation Beth Shalom extends our deepest condolences to Bryn Barkan on the passing of her beloved husband Elliott.

A professor in the History department at Cal State University San Bernardino, Elliott served on Congregation Beth Shalom's Board of Directors and passionately brought various speakers for our on going program specific to the Holocaust and Kristallnacht.

May his memory serve as an enduring blessing to family and friends.

Ha'makom Yi'nachem et'chem B'toch Shi'ar Aveilei Tzion Vee'rushalayim.

On Shavout, Joan Zak created a Jeopardy board with many Jewish topics as well as our synagogue areas. But we couldn't take photos that night. I found a cartoon that I thought would generate similar humor.

President Bruce outreached to Phil Witte, the creator of the cartoon, who was so pleased that he was asking for permission.

front door, which will generally be kept locked, 15 minutes after services begin.

After the officers finished, I was happy to share about our dedication to planting trees in Israel, and that this current grove of 1,000 trees were planted in honor of First Responders. As you saw on the front page, we captured a group photo.

We will be sharing more security items will be shared in the months ahead.

I want to thank our board members, volunteers and especially our Cantor for an exceptional year!

President, Congregation Beth Shalom

You are invited to participate more in Friday Night Services!

Do you...

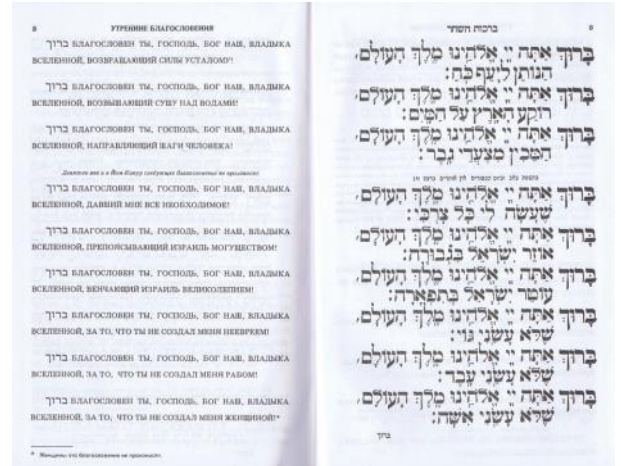

- Like the music, but can't quite get the words?
- Know the words but believe you don't sing well enough?
- Have a favorite prayer or melody that you would like us to read or sing?

Would you like to feel more included in the service?

Do you sometimes think "I could do that too and it would be fun!"

- At Congregation Beth Shalom we have a unique opportunity to make our services be what WE want them to be.
- While a certain structure has to be followed, there are lots of options and our Friday Night Siddur gives us many choices of prayers to read and/or chant.
- We love having our Pre- and Post-B'nai Mitzvah students lead services, and don't want to leave the rest of you feeling there is no time that you can experience what they do.

Yeah? What's it gonna cost me—\$0

And the hidden monthly fees? - \$0

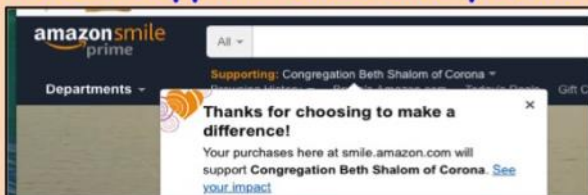

And I have to obligate myself to? Only what you are comfortable doing.

So, how about it? Give us a chance to prove how fulfilling an Erev Shabbat service can be.

Please send an e-mail to Joan Zak at jzak@cox.net and I will add you to the list.

There is absolutely NO Cost or obligation to be placed on the list.

RITUAL *Report* Jackie Williams, VP—Ritual

Here are a few highlights of some of the things our committee was involved/completed this past year:

We worked with a Bar Mitzvah student, Nico Lipovestky and his parents to prepare for his Bar Mitzvot in February. We are now working with Arrianna Wolfe whose Bat Mitzvah will take place on October 26.

We had the privilege of working with and coordinating many activities with Cantor Shapiro. We have found working with him both enjoyable and educational.

With the assistance of Noemi Schulman and Dave Severson we organized the High Holy Day services.

The Chesed Committee has done "works of loving-kindness" in the Congregation such as sending out cards when congregants are ill or congratulatory cards to congregants. Our hearts go out in sympathy to the Barkan family on the passing of Elliott Barkan. The funeral was held on Sunday, June 23. After the funeral, we had a Meal of Condolence at the synagogue hosted by the Chesed Committee. I would like to thank Gail Koren, Joan Zak, and Joan

Jacobs for setting up and cleaning up and Sandra Shulman for providing the deviled eggs. It takes teamwork by members of our congregation to do these things. The Chesed Committee also provided a Meal of Condolence for the Taks family on the passing of Maurice Taks. We also provided a meal prior to a shiva service for the Spiegel Family on the passing of Herb Spiegel and of Lionel Gillerman.

We are continuing to send Yahrzeit reminders that has brought in over \$1,000.00 in much needed funds to the synagogue.

We held the World Wide Wrap in February with over 53 participants.

We celebrated Shabbat Across America in March with a special Shabbat service.

We celebrated the second night of Pesach with a catered Seder prepared by Shirli Driz and her team. Dennis Itzkowitz was able to get all the chicken donated. We also received financial help from the United Jewish Fund of the Inland

Empire. It was very successful and we hope to do it again next year.

Under the leadership of the Board we have provided lay leaders at Shabbat services when the Cantor is not there under the direction of Joan Zak.

Joel Williams has led the music at Shabbat family services, special services, and occasionally at Religious School.

Felix Smith has led Yitzkor and Shiva services when the Cantor is not available.

The Ritual Committee has been involved in every aspect of synagogue life this year from Jewish Holidays, to Shabbat services, and to the music on family nights.

Please join me in thanking the Ritual Committee, as the credit for everything we achieved belongs to them: Bruce Rouman, Marci Rouman, Noemi Schulman, Dave Severson, Dennis Itzkowitz, Bob Stone, Bruce Williams, Gail Koren, and Joan Zak.

Change in Family Night Oneg

Family night services which occur on the first Friday of the month will still begin at 6:30 PM. However, there will no longer be an oneg at 5:45. Instead we will serve wine and challah at the end of services and then whoever is

interested will join everyone for dinner at a local restaurant chosen that evening. We have been enjoying these dinners for a number of years. It is a great way to enjoy the Shabbat experience with our synagogue family.

EDUCATION *Report* Marci Rouman, Education Director

Looking Back at 2018/2019 school Year

The current school year has certainly flown by. All of our school activities keep us extremely busy. This report will highlight and serve as a review of the school year that just ended. First I would like to recognize our teaching staff. Jessi Rouman taught religious school as well as Hebrew school. Marta Driz instructed our students in arts and crafts, as well as cooking. Amanda Williams and Ilana D'Agostino assisted our K/Pre K students with various activities. Amanda and Ilana also instructed our seventh grade student, Arrianna Wolfe with Hebrew studies. Seth D'Agostino assisted me with teaching our Bar Mitzvah student, Nico Lipovestky. Seth also helped with other students. Renée Tieszen taught our confirmation class. She also instructed Arrianna Wolfe in Religious school studies. Joel Williams came into our school on a monthly basis to teach music. Many of us enjoy having him in our program. Chelsea Williams taught Zophia Lindenbaum Hebrew. Shirli Driz was a great substitute for me when I needed her. Thank you to Cantor Bruce for his assistance during the school year. I would also like to recognize our Education committee. The players are Jackie Williams, Renée Tieszen, and myself. I thank them for all of their support this school year.

Our first day of school was on August 19. On September 23 the students made decorations for our Temple Sukkah. They also assisted in hanging the decorations in the Sukkah. It was a very hot day in our backyard that day. The outing was fun for the students. Simchat Torah was a lot of fun for all of the children in the school. It was fun dancing together with the

Torahs. November brings us to my favorite event. That would be the annual Chanukah bazaar and brunch. What could be better than shopping and great food. It is always a great time. Thank you to Shirli Driz and staff for an amazing brunch. I so appreciate all of the support and assistance from the congregation. The event was a success in every way. In January we held our Tu B' Shevat ice cream Seder. As a school we celebrate the seasons and trees with ice cream. Students and staff enjoyed the festivities. At our school February is the time to prepare for Purim activities. Our Mishloach Manot fundraiser comes to mind. Our congregation was generous with donations this school year. Thank you to Stacy Pineiros for label making. The donations from Renee Miller and Shirli Driz were greatly appreciated. Our students certainly made beautiful Purim boxes. Next comes the Purim play. It was memorable as always. Our students are great actors. Our classes all participated in class services. Our confirmation students led two services this

year, Arrianna Wolfe and Nico Lipovestky led a service together representing our older Religious school students. They did a nice job together. Jessi Rouman's class as well as our K/Pre K group led a lovely service as well. In May, we led a teacher appreciation service with all students and teachers participating. Thank you to Cantor Shapiro for joining in with our students. You made the evening special. It was a nice tribute to our staff. As a school we traveled to the Israeli Fair in Los Angeles. There was so much for everyone to do. They had camel rides as well as arts and crafts. It was fun for all who attended.

Wow, and those were just the highlights. It is always a fun and busy time at school here at C.B.S.

Thank you all for your support

Beyond the SYNAGOGUE

On Tuesday, May 4th, I attended a quarterly meeting with the City of Corona Police Department and clergy in the City of Corona. It was held at the Church of Jesus Christ of Latter Day Saints. Surprisingly, Lieutenant Paul Mercado was at the meeting. He is the person who spoke to us at the Congregation meeting the day before. I thought he had done a great job and announced that to those assembled.

The topic for the day was Unmanned Aircraft Aerial Systems – otherwise known as drones. Lieutenant Mercado did the presentation and did just as good a job on it. He emphasized that none of these drones are weaponized. They are used for specific tasks and not just to spy on the neighborhood. They are part of the Corona P.D.s Crime Reduction Strategy. While violent crime is down in Corona, property theft is much higher than it has been in the past.

These aircraft are funded by grants, donations (The Home Depot and Walmart each donated a drone to the police department), and developer impact fees. All drone pilots have to be certified. The City of Torrance taught the City of Corona Police Department and they are helping to train other departments.

The cameras have 4,000 pixel resolution and forward-looking infrared, so they can track a suspect day or night. The drones won't replace helicopters. Helicopters can fly farther and faster and the drones are charged only for about 30 minutes. Besides the pilot, a visual observer is used to help direct the flight. The cost is about \$800.00 per hour. There are smaller drones, which are kept in the back of patrol cars. These drones run for about 8 minutes.

The next speaker talked about the use of statistics to try to help reduce crime. There are 4 zones in Corona and the zone commander is responsible for crime in his area. They are measured on response time and use real-time crime statistics to help predict which areas need patrolling.

The third topic was homelessness. There are approximately 766 sheltered homeless and 2045 unsheltered homeless in Riverside County. This is a 21% increase from 2018. Orange County saw a 43% increase. San Diego reported a decrease, but it's suspected that their counting was not valid. Homelessness is at 24.9% in California, which is much higher than other parts of the country. These people are mostly from California. Interviews with homeless in Riverside County revealed that only 26% were from outside the county and 2% from outside the state. Seniors are increasingly becoming homeless. 70% of the homeless are men and 30% women. It's hard to track families that are homeless.

I am impressed with the Corona Police Department. They work hard to walk a fine line between keeping people safe, recognizing privacy needs, and behaving ethically and compassionately.

Please contact Joan Zak at 760-803-5451 if you want more information about websites which have information about these topics.

Congratulations Jake Pineiros!

In the month of June, Jake Pineiros received a very prestigious award, recognizing him for his superior performance. Approximately 1,000 Airmen at Mildenhall AFB, Jake's Commander spoke passionately about his leadership and service. Timing was perfect for the recognition as Jake's mom, Stacy and sister, Lindsay were present in England during the ceremony!

CBS is so Proud of YOU Jake!

The Joy of Reading Torah

Reading from the Torah is like
walking the Bible while holding the hand of G-d

Cantor Bruce would like every congregant of Beth Shalom to have the opportunity to feel the JOY, to walk with G-d and truly understand the message Moses delivered to G-d's chosen people on Mount Sinai.

Oh! You don't read Hebrew?

You don't know an aleph א from a gimel ג

That's great! YOU are our target audience.

Joan Zak and David Severson will work one on one with you. At Shul. In your home. On Face Time or Skype.

Mitzvah Project = Success++

Arrianna Wolfe had a very unique and worthwhile Mitzvah Project. Remembering her beloved grandfather and hearing of his years of service for the Israeli Military, Arrianna wanted to provide 'goodies' for the active duty military in Israel. Her project compiled months of collecting toothbrushes, gum, candy bars, magazines, sports clothing, baseball caps, etc. that the military would receive like a large care package. Timing was essential, as the synagogue was embarking on our 2nd annual trip to Israel. With the assistance of her mother, Shirli Driz, and so many of the congregants who outreached and supported Arrianna, the project was a huge success including the delivery of three (3) full suitcases. The overwhelming response from the service personnel was matched by their outreach and calls days afterwards continually thanking Arrianna and the synagogue!

Mazel Tov Arrianna, job well done!

Yale researchers find - People who read live longer than those who don't.

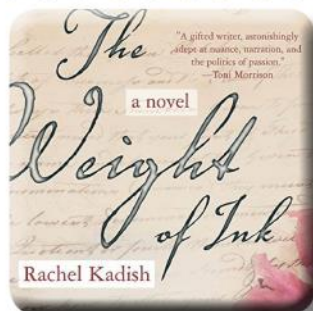

They were young Jewish boys who escaped from Nazi-occupied Europe and resettled in America. After the United States entered the war, they returned to fight for their adopted homeland and for the families they had left behind. Their stories tell the tale of one of the U.S. Army's greatest secret weapons.

Sons and Soldiers begins during the menacing rise of Hitler's Nazi party, as Jewish families were trying desperately to get out of Europe. Bestselling author Bruce Henderson captures the heartbreaking stories of parents choosing to send their young sons away to uncertain futures in America, perhaps never to see them again. As these boys became young men, they were determined to join the fight in Europe. Henderson describes how they were recruited into the U.S. Army and how their unique knowledge of the German

language and psychology was put to use to interrogate German soldiers.

Sons and Soldiers draws on original interviews and extensive archival research to vividly re-create the individual stories of six of these men, tracing their journeys from childhood through their escapes from Europe, their feats and sacrifices during the war, finally their desperate attempts to find their missing loved ones. Sons and Soldiers is an epic story of heroism, courage and patriotism that will not soon be forgotten.

Our CBS Book Club will meet at 5 PM on Tuesday, July 2, 2019 at the home of

Mighty good book - should be a great discussion.

Set in the London of the 1660s and of the early 21st century, The Weight of Ink is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi just before the plague hits the city, and Helen Watt, an ailing historian with a love of Jewish history.

As the novel opens, Helen has been summoned by a former student to view a cache of 17th-century Jewish documents newly discovered in his home during a renovation. Enlisting the help of Aaron Levy, an American graduate student as impatient as he is charming, and in a race with another fast-moving team of historians, Helen embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph".

Electrifying and ambitious, sweeping in scope and intimate in tone, The Weight of Ink is a sophisticated work of historical fiction about women separated by centuries, and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.

Israel 2019—Tel Aviv

Truly an inspiring and memorable trip, it is almost impossible to capture the feeling that each of us who traveled with Cantor and Marcy Shapiro, however, it is stated, a picture tells a thousand words, and if we had unlimited pages, we could easily fill volumes of books! Special thanks to Bruce & Marcy Shapiro for all their coordinating efforts.

Here are just a few shots, and future pages outline various areas we visited, again, you really need to consider joining us on our next TRIP TO ISRAEL!

Ethiopian Village Visit

Hearing from an Ethiopian Israeli who was brought over here as a teenager, now have immersed

into the life in her new homeland. In the late 70's and early 80's there was a humanitarian outreach, and Israel answered the call, bringing thousands of Ethiopians to Israel. Beta Israel Village is a unique

social-educational center which combines agriculture and educational activities in order to preserve Jewish-Ethiopian heritage and establish it as a sustainable national asset.

Keeping them YOUNG!

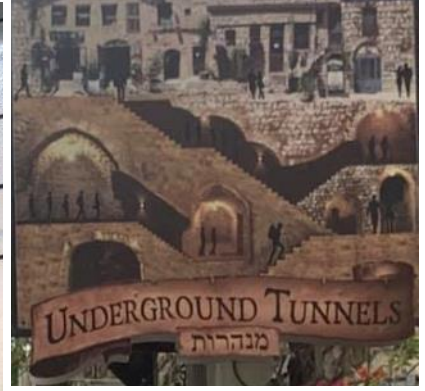

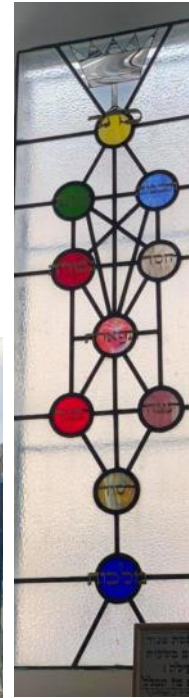

During a visit to the retirement workforce center, Bobby visited with this holocaust survivor. Though language was a barrier, his love for Israel was shown by his expression. The numbers tattooed on his arm are still a reminder—we shall remember!

At the special dedication ceremony Chagall stated: "This is my modest fit to the Jewish People who have always dreamt of biblical love, friendship and of peace among all peoples. This is my gift to that people which lived here thousands of years ago

What is a trip to Israel without riding a Camel?

MASADA

Breathtaking, and amazing!

Quoted from the booklet provided to all of us on the tour: Masada is not only an archaeological site, above all it is a chapter in history, an exulted and

tragic chapter, which symbolizes many generations. The iron clad decision of the zealots not to be slaves, but that ‘we shall die as free men’ has made of Masada in our time a symbol of challenge, and a warning of words of the author: “Masada shall not fall again.”

PIC•COLLAGE

Our tour began on June 11 and concluded on June 20. During this time, we visited numerous sites, from historic to educational experiences and each day, the consensus amongst many of us traveling was: "Okay, if our trip was just this day, wow it was worth it!"

Cantor Bruce and Marcy Shapiro worked diligently to ensure there was a great mix of things to experience. We are grateful for their dedication and commitment to the travelers to ensure a packed agenda.

Shopping at the various stops and famous Shuk and Ben Yehuda Street.

There is excitement and interest in planning our next synagogue trip. If you are interested in visiting and touring Israel, please let us know. Some say this is a trip of a lifetime, while others realize, many trips to Israel could be done, as there are so many historic and educational sites to learn more about.
