

Cantor's Corner *by* Cantor Bruce Shapiro

As we continue our run towards **Simchat Torah**, the Rejoicing with the Torah, we are reminded that the days between Rosh Hashana and Yom Kippur known as the **Aseret YeMey TeShuvah** (10 Days of Repentance) is a continuance of our repenting and asking for forgiveness from one another. As it states in the **Shulchan Aruch**, the Code of Jewish Law, "A man should scrutinize his deeds and repent of his misdeeds, increase Torah study, fulfill commandments, give charity, and reduce his business affairs."

These 10 days allow us to continue to change or start to change. We still have time to "tip the scales" of righteousness in our direction by continuing our requests from individuals we may have harmed with deed, word, or thought. We continue to **Repent, Pray**, and give to **Charity**. In **Repenting**, we want to have a change of heart or mind, have the determination, and make an effort to take action to do so. **Praying** is important too and prayer can change us for the better as we look at ourselves and our character. And for **Charity**, we must "look outside ourselves and see the needs of others"!

CANTOR *Continued from page 1*

As we head towards the Day of Atonement (**Yom Kippur**) having passed Rosh Hashana (**Yom Hadin**-Day of Judgment) below are a few questions to ponder from the "DoYou10Q" website. You can see additional questions and ask your own questions and answer them there to if you want further privacy:

- 1) Describe one thing you would like to achieve by this time next year. Why is this important to you?
- 2) Describe an event in the world that has impacted you this year.
- 3) How would you like to improve yourself, your life, next year? Any advice you received that could help?
- 4) What is a fear you have and how has it limited you? How do you plan to overcome it this year?
- 5) Is there something that you wish you had done differently this past year? Or that you are especially proud of for yourself?

Once the "Book" is closed after Yom Kippur...almost closed, we look forward to Sukkot culminating in our celebration of the receiving of the Torah on Simchat Torah! **Sukkot** marks the end of the "harvest time" in Israel. We also build our own Sukkah and eat meals and sleep in them to remind us of the 40 years of travel the Israelites did when they left Egypt! That was some "vacation"!

Please come to the Congregation Beth Shalom **Sukkah** at the Rouman's home and shake the Lulav and Etrog as we continue our rejoicing as it allows us to come even closer to Hashem! Also come to the **Simchat Torah** celebration as we sing and dance with our Torahs!

Adon Olam, Master of the Universe, may we continue to perform the good this congregation began years ago. May we hear the loud call to action as our economic and political climate change and bring justice and hope to those less fortunate that we are. Have an easy fast!

May it be written and sealed for a Good Year! Ketivah Ve'chatimah Tovah!

Cantor Bruce Shapiro

President's Message

We're back here again for our Jewish holiday of Rosh Hashanah. This is called the beginning of the year. This holiday places special meaning on our relationship with God as our creator and sustainer. We open the doors for prayer and ask God that our deeds are worthy of being judged as good. As it is said, our names will be inscribed in the book of life and it is sealed. While we have 10 days to reflect upon of past deeds and ask for forgiveness, we should already know that we've done a good job this year.

What do you consider a good worthy endeavor to know you've done good? When you look back, did you give to charities, or volunteered & helped out where you can? Have you corrected any mistakes along the way, and just been a decent person? Maybe that's all it takes. I hope all of you here today consider these holidays a part of the regular Jewish holidays, not just a one-time visit per year for that extra blessing.

Thanks to everyone here today that we enjoy the synagogue all year round, and have a place to pray on these High Holy Days and enjoy during the entire year. I'm personally inviting everyone to be year around members of our synagogue and take in what you feel is important to you. You pick the holidays or events you wish to participate in, it's your choice. If

you can't do all these High Holy Days services, then I invite you to come to our Sukkat event and Simchat Torah evening – these are the fun holidays.

As you look around and see the many familiar people, there are some people joining us for their first time and we welcome all of you. Our CBS congregation has been here in Corona for 51 years. We are keeping our Jewish community together and connected. We want everyone to feel that this is their spiritual home and a place for prayer, learning and teaching Jewish customs and traditions, besides Poker & Mahjongg. We have a responsibility to give our kids a foundation of Jewish learning and upbringing. This is something they take with them for life, even when they go off to college, they can still make that connection to Judaism.

As I conclude, I'd like to thank Cantor Shapiro for leading us this year again during our holiday services. Much thanks to Jackie Williams, our Ritual VP, and Noemi Schulman for helping to coordinate these services. Also thanks to Dave Severson and Joan Zak for preparing our readers for the High Holy Days.

So keeping up with the times... Text to your friends who were not here to join us on Yom Kippur if they are still looking for that once a year extra blessing.

From my family to each one of you,

Shanah tovah um'tukah,

"May you have a good and sweet new year."

Blessed are You, O Lord our God, Ruler of the universe, for providing our daily needs.

Mazel Tov to Arrianna Wolfe as she becomes a Bat Mitzvah on Saturday, October 26.

Please join Arrianna and her mother, Shirli Driz, grand mother Marta Driz and Arrianna's entire family for this wonderful celebration.

Arrianna will lead the synagogue in the Friday evening (Erev Shabbat) services, and the Shabbat Morning Services. Arrianna will read from the Torah and is a result of the numerous years of training for this special day.

Arrianna is no stranger to leading services, she has been attending our services regularly and has been a joy to watch as she has developed her skills in Hebrew as well as assisting in leading services.

During our recent Israel Trip, Arrianna completed her very special Mitzvah project that was very moving and meaningful. She will be sharing about that trip and her project at the service on October 26.

On behalf of the entire membership for Congregation Beth Shalom, we congratulate Arrianna on this milestone accomplishment, and we equally acknowledge Arrianna's

mother, Shirli Driz for her dedication and commitment to raising Arrianna in the Jewish community and customs.

Family Night Oneg

Family night services which occur on the first Friday of the month begin at 6:30 PM. We serve wine and challah at the end of services and then whoever is interested will join everyone for dinner at a local restaurant chosen that evening. We have been enjoying these dinners for a number of years, where our synagogue families can socialize and enjoy more of the Shabbat experience.

Other nights we look for families to host and provide desserts. If you wish to sponsor an Oneg or have questions, please call Gail Koren at 951.204.4757.

EDUCATION *Report*

Marci Rouman, *Education Director*

As shared last month, my articles on education will feature a different teacher for our Religious School. Each of the Education Staff, are very dedicated and committed to our youth in the synagogue. Please take a moment to read each article and thank each of them. They are definitely not doing this for the amount of pay received, each of them has a huge hearts and are here for the children and the spirit of Judaism.

The teacher that we are highlighting this month is Pamela D 'Agostino. She teaches our K/pre K students. Pam adores working with these little ones. Some of you know Pam. Here is some background about her: Pam is a transplant from Brooklyn, New York. She and her family relocated to Orange County. In 1979 Pam earned her degree from Cal State Fullerton in Human Services. She studied Child Development as well.

Pam is married to Peter D 'Agostino. Many of you are a friends of his. Pam and Pete have been Temple members for many years. Pam and Pete have two teenage children. Ilana and Seth have had there Bar and Bat Mitzvot here at CBS. They both work as assistants in our Religious school. Ilana is currently attending confirmation class at CBS as well. If you see Pam around the synagogue, say hello.

RITUAL *Report*

High Holiday packets are in your email. Please note deadlines for the memorial book as well as the Break-the-Fast meal and extra High Holiday tickets. We need your responses as soon as possible.

The Ritual Committee has decided to provide a Rosh Hashanah dinner for three families who are not able to attend services for medical reasons. Dennis Itzkowitz and Bruce Williams will deliver the meals on Sunday afternoon, erev Rosh Hashanah. Gail Koren, Mark Koren, Joan Zak, Marci Rouman, and myself prepared the food items.

On Sunday, September 1, Cantor Bruce went to the Bilgrei home to blow the shofar and say a few prayers since they will not be able to attend High Holiday services. I have spoken to the Bilgreis since the Cantor was there and they really appreciated the visit. Thank you Cantor Bruce.

Shabbat Under the Stars was a great success. We had about 40 people in attendance. The dinner from NYPD was very good. Thank you to Dennis Itzkowitz for picking up the food. See the photos on pages 9 and 10.

Looking forward to seeing everyone at High Holiday services.

Country Western BBQ Thank YOU!

In this world, sometimes extraordinary events happen to ordinary people. I feel honored and humbled by your outpouring of love and support for me as your Spiritual Leader these past 10 years. I want to thank all of you who were there to celebrate with me and to those who could not be with us to celebrate but

were there in spirit! I appreciate the guitar lessons too...I got the message "loud and clear"! (Laugh out loud-LOL)

As Henny Youngman (the great violinist and comedian) once quipped, *"I once wanted to become an atheist, but I gave up - they have no holidays."*

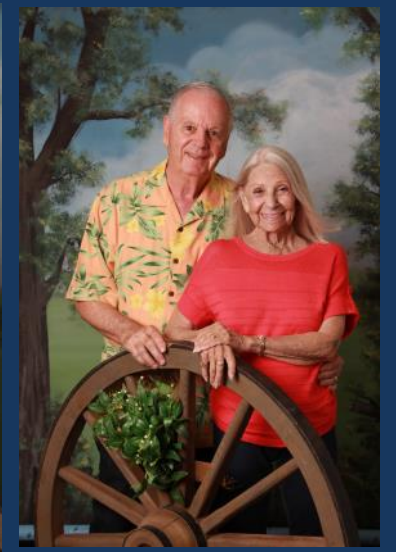

I look forward to our continued learning and growing together as a congregation!

Great Memories

The Joy of Reading Torah

Reading from the Torah is like walking the Bible while holding the hand of G-d

Cantor Bruce would like every congregant of Beth Shalom to have the opportunity to feel the JOY, to walk with G-d and truly understand the message Moses delivered to G-d's chosen people on Mount Sinai.

Oh! You don't read Hebrew?

You don't know an aleph א from a gimel ג

That's great! YOU are our target audience.

Joan Zak and David Severson will work one on one with you. At Shul. In your home. On Face Time or Skype.

Give Joan or David a call and for details and get started down your path to the Joy of reading Torah.

how to Host an Oneg Shabbat

Hosting an Oneg is a way for members to share their happiness, to honor/remember a loved one, or merely do a Mitzvah. If you wish to host an Oneg, simply contact Gail Koren at (951) 688-1709 or (951) 204-4757.

When shopping, look for dairy items with a Kosher symbol, as our synagogue kitchen must remain Kosher.

Should the synagogue not have a host, then we will serve Challah and wine – with the traditional blessings.

By making a donation of \$125 to Congregation Beth Shalom, we will shop for you.

We appreciate your help for set-up and clean-up, if you are physically able.

Thank You for your kind participation.

Thank you to everyone that supported our traditions by sponsoring an Oneg Shabbat. If you are interested in sponsoring an Oneg, it is very easy and inexpensive. Please call me before someone claims your special date. I will show you how easy it is. Gail Koren 951-204-4757.

WHY Sponsor an Oneg Shabbat

In Ma*gein A*vot (You Shield Our Ancestors), the line with "oneg" translates to "sated with pleasure". What better way to get to know other Congregants than by "breaking challah" together? After an uplifting musical service, we adjourn to "Happy Hour"! Every Member of our congregation is a welcoming tool of Membership where everyone benefits.

WHEN to Do an Oneg Shabbat

1. In Honor of a Birthday
2. In Honor of an Anniversary
3. In Memory of a Loved One
4. A Mitzvah (Good Deed)

QUICK! Pick up your Phone and call Gail Koren 951.688.1709

5/10K for Peppermint Ridge

RJ Spiegel was going to help his Zaydie (Bobby Spiegel) volunteer for the local non-profit, Peppermint Ridge. However, upon arriving, RJ asked if he could do the 5K, so both signed up for that. They did a warm up then started the 5K, but RJ began his sprinting, and was able to accomplish a 10K that day. A great fundraiser for a worthy local agency caring for people with disabilities.

Supporting Wendy

This month, October 19, we will be gathering at Norco College for the annual Combat Cancer Walk. Funds raised through this walk benefit local women fighting cancer.

The Walk is coordinated by the local non-profit Support Sisterz. The walk will begin at Norco College—JFK Middle College High School. Registration at 7am, Opening ceremony is 8:30am, and the Walk Kickoff is at 9am.

We are forming a team that will walk in honor and in support of CBS Member, Wendy Izenman.

CBS member **Rachel Spiegel** is involved with the planning of the overall walk and is seeking walkers, sponsors and volunteers. Anyone interested in this community outreach, please connect with Rachel at 951.751.4929

Come join the walk! Bring the family, encourage neighbors—the funds raised through walk will go to help local individuals battling with cancer. Your pledge, and every step will Make THE Difference!!

Isaac Maya shares with Business leaders in D.C.

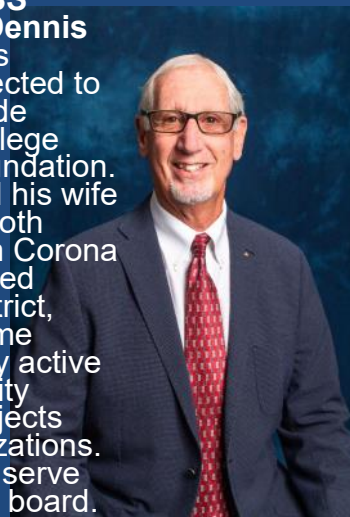

Earlier this month The Corona Chamber took a delegation of business leaders to Washington D.C. for their annual Legislative Business Summit. Traditionally, they meet with policy makers, decision makers and of course our elected officials. This trip, they were adding different topics. To their pleasure, answering our call for USC to share, CBS Member Isaac Maya immediately offered his expertise. Isaac provided tremendous insight through the USC Dornsife Center for Economic and Social Research. This includes data collection processes which is used for a variety of security issues and will assist in future workforce development opportunities that will face our nation.

Though the Maya's relocated from Corona to the D.C. area, Isaac shared that he and Debbie will be soon transitioning back to Southern CA. We look forward to seeing them more frequent.

New RCCD Foundation Board Member

Former CBS Member, Dennis Brandt was recently elected to the Riverside County College District Foundation. Dennis and his wife Barbara, both retired from Corona Norco Unified School District, have become increasingly active in community service projects and organizations. Dennis will serve well on this board.

Successful Fundraiser

Thank you to all who help support the recent special fundraiser for CBS member, Wendy Izenman who is battling cancer.

Marci Rouman coordinated with local LuLaRoe representative, Lis Ljung, where she provided an opportunity for members to purchase product and

Lis was able to give some merchandise to Wendy. Lis further stepped up her commitment to help, by hosting a live Facebook pop-up where people purchased on line to support Wendy.

If you want to still purchase, contact Marci Rouman at 951.735.6814

KARA LUBIN

Founder and President of the 100 Mile Club®
to receive Shomer Tzedak Award

The Legacy Luncheon Committee is pleased to share the Shomer Tzedak (Guardian of Righteous) award honoree for the February 9, 2020 event: Kara Lubin.

Kara, a 4th generation public school teacher and special education specialist, founded the 100 Mile Club® in her classroom in 1992. She started with 15 kids and an idea: run 100 miles, earn a gold medal, and learn a lot about yourself along the way.

As Founder & CEO of the 100 Mile Club®, Kara travels the globe helping schools, families, and communities, become healthy, happy and connected ... one mile at a time. This year alone, 100 Mile Club® will reach over 1.2 million students in over 4,800 schools spanning all 50 states and several countries. Featured in Runner's World Magazine, winner of the Spirit of the Entrepreneur Award, Outstanding Non-Profit by the Corona Chamber of Commerce, and recognized by ChildObesity 180 and Let's Move! As having the most innovative, effective and scalable physical activity program in the United States, the 100 Mile Club's® growth continues to be exponential each year.

Kara lives in Norco, CA with her loving husband Glen Gonsalves, her beautiful children: Paris and Millie, two horses, two dogs and a spirited tortoise named Rachel. Kara is fortunate to live very close to her loving parents Tom and Dorothy, and sister Lora.

Kara could not have pursued this passion-driven mission without the infinite love, support, and inspiration of her family, friends, team and community. The values and principles on which her work is based lay solely in their arms, and strengthen not only her, but the mission and vision of the 100 Mile Club® as it continues to grow.

In addition to Kara, this year our **Legacy Award** will be presented to **Bob & Kathy Stone**, and **Shatuf Tzedak (Business Partners)** - The **Corona Chamber of Commerce**.

Please save the date of Sunday, February 9, 2020 our community and synagogue come together, to honor some incredible people and a business partner. If you have not attended previous Legacy Luncheons, please connect with Renee Miller as she can share

with you the plans the committee has been working on. In addition to honoring people, we have a silent and live auction. Funds raised through this event assist in budgeting programs for our youth, much needed repairs for the building and other items that occur throughout the year. We hope to have 100% participation.

We are seeking sponsors right now, so if you happen to know of businesses that might be willing to assist, please let Renee know.

Here are some sponsorship ideas that some of our members might be interested in helping with:

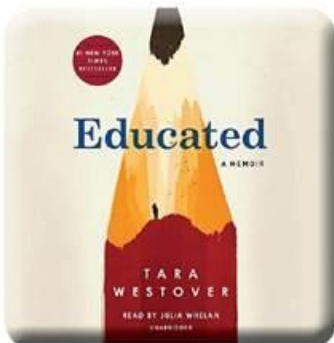

Audio—4 sponsors @ \$250 each
Invitations – 4 sponsors @ \$250 each
Kipot – 2 sponsor at \$100
Postage – 4 sponsors @ 150 each
Printing – 4 sponsors @ 150 each

If you are interested in assisting in this annual event, please contact Renee Miller at 909.228.5945.

Turbulent Souls is a luminous memoir, crafted with the eye of a journalist and the art of a novelist by New York Times Magazine writer and editor Stephen J. Dubner. By turns comic and heartbreaking, it tells the story of a family torn apart by religion, sustained by faith, and reunited by truth.

Book Lovers will gather at the Seversons

To discuss this thought provoking novel. You are all invited.

Our Crowd is the fascinating story of this rarefied society. Based on letters, documents, diary entries, and intimate personal remembrances of family lore by members of these most illustrious clans, it is an engrossing portrait of upper-class Jewish life over two centuries; a riveting story of the bankers, brokers, financiers, philanthropists, and business tycoons who started with nothing and turned their family names into American institutions.

Yes, there is Jewish Upper Crust. Not the case for most of us.

Seeing a need, finding a solution

Thank you Matt and Amanda Shapiro for purchasing and donating an infant changing table for Congregation Beth Shalom. This is a much-needed item. Matt and Amanda noticed that CBS didn't have one and immediately found the solution. We appreciate your thoughtfulness and taking action to solve the need.

CBS Operations team of Mark Koren and Bruce Rouman, have already installed the unit in the first bathroom, upon entering the synagogue.

You are invited to participate more in Friday Night Services!

Do you...

Like the music, but can't quite get the words?

Know the words but believe you don't sing well enough?

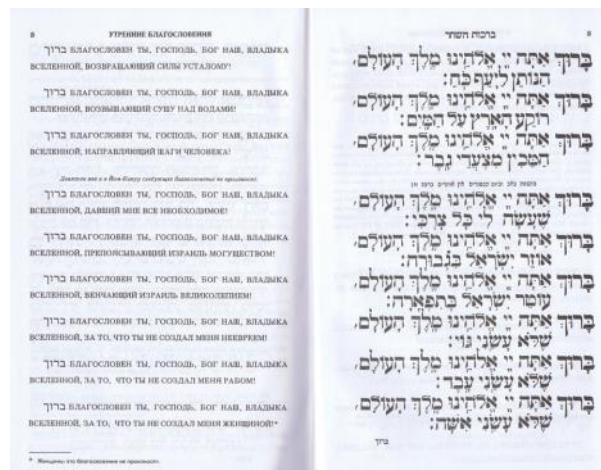

Have a favorite prayer or melody that you would like us to read or sing?

Would you like to feel more included in the service?

Do you sometimes think "I could do that too and it would be fun!"

- At Congregation Beth Shalom we have a unique opportunity to make our services be what WE want them to be.
- While a certain structure has to be followed, there are lots of options and our Friday Night Siddur gives us many choices of prayers to read and/or chant.
- We love having our Pre- and Post-B'nai Mitzvah students lead services, and don't want to leave the rest of you feeling there is no time that you can experience what they do.

Yeah? What's it gonna cost me—\$0

And the hidden monthly fees? - \$0

And I have to obligate myself to? Only what you are comfortable doing.

So, how about it? Give us a chance to prove how fulfilling an Erev Shabbat service can be.

Please send an e-mail to Joan Zak at jzak@cox.net and I will add you to the list.

There is absolutely NO Cost or obligation to be placed on the list.

Kristallnacht

The Night of the Broken Glass

NEVER AGAIN

Presented by
 Congregation Beth Sholom
 in association with the City of Corona
 Wednesday, November 13, 2019
 6:30 PM
 Corona Civic Theatre
 815 W. 6th St. Corona, California

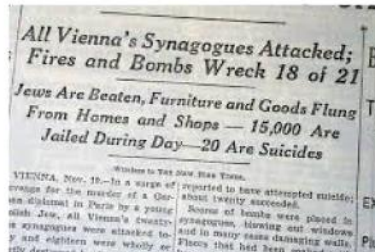

Our guest speaker for this year's program is Dr. Jacob Eisenbach. This will be Dr. Eisenbach's second appearance at our program. To say he can WOW an audience would be a massive understatement.

Although Eisenbach was forced to work in a labor camp that manufactured munitions for the Nazi war machine, he has always maintained a contagious smile, ebullient optimism and a belief that goodness will prevail.

Dr. Eisenbach is 96 years young and worked until four years ago in the dental office in Anaheim Hills, where he practiced for 41 years.

A fine Dentist, Holocaust survivor, captivating speaker and author, his presentation on November 13th is a must. His book, Where You Go, I Go, the story of two brothers clinging together for survival is a fascinating and terrifying page turner. Their family perished in the wrath of the Third Reich. Through it all Dr. Eisenbach maintained his belief in the ultimate humanity of man and has long since forgiven his Nazi tormentors.

Hear a chilling first hand report of the pain and misery caused when hate is allowed to raise its ugly head.
