The Book of Exodus CANTOR'S MESSAGE

Cantor Bruce Shapiro

This month, we complete the **Book of Genesis** about family dynamics and relationships. We now begin the **Book of Exodus (Shemot)**, the story of how the Jewish slaves became physically and spiritually Israel, the nation! The trials and tribulations of anti-semitism, slavery, and freedom/liberation are discussed in great detail. The scene is set as our people travel from Egypt to the wilderness of

Sinai (late 13th Century B.C.E). The great prophet Moses “arrives on the scene” and with G-d’s help and blessings brings us many learning opportunities. In **Va’era**, “I appeared”, we are introduced to many new “characters” interacting with Hashem. Most notable are Moses, Aaron, and Pharaoh, who provide us with many lessons in life. We are a

“clever” people with rules (**Halacha**), that are supposed to help make our lives better, more disciplined, and connected to our families and community. After reading this Parasha, it feels appropriate to have an “attitude of **SEE CANTOR Cont’d on page 2**

gratitude” for the lives we have, the life we personally lead, and the country we live in.

After years of oppression and servitude the Israelites are about to be set free to go on a journey of 40 years and like no other experienced before. To get to where we need to go will be long and arduous. We will take many roads “less traveled” and the Israelites will be trailblazers! Our leaders and our people will make mistakes which are part of the human genome. We are not perfect beings, but we strive to be the best version of who we are. We learn, we adapt, and we grow, in order to do better.

Our next **Torah study** (about 45 minutes) will be on Saturday morning, January 21 at 9 AM. Adding one more item to your Jewish “**To Do**” list for 5783? This is an easy one and the discussions are lively regardless of the level of your current Torah understanding. It is amazing how we add our own “spark” to every conversation held and each question asked! (Join on Zoom or in person.)

Remember **TEAM**...Together Each Achieves More! Lastly, “alone we can do so little, together we can do so much!”

Adon Olam, Master of the Universe, may we all continue to improve on ways to find an “attitude of gratitude”. Each day may we think of actions that will help us with this personal attribute. May we all give ourselves space to say what is on our minds in the most positive way possible without offending others and remember to “think” before we speak! It is up to us to leave the world in a better place than when we found it.

As it states in **Pirkei Avot** (Ethics of our Fathers), “You are not obligated to complete the task, but neither are you free to desist from it. (PK2:21)

Happy Secular New Year!

Questions to ponder?

In Exodus, why do you think G-d speaks to Moses only?

What are the four (4) phases of redemption related to the four (4) cups of wine on Passover? (Ex.6:6-8, hint look in the Etz Chaim for the answer)

How did the Cup of Elijah come into being?

The first 3 students who email me the answer to question number 2, will be provided a \$10 Target Card. This includes the confirmation class. 3mshapiro@cox.net (This will tell me who read my article this month too!)

President's Message About Tu BiShvat

In the Middle Ages, Tu BiShvat was celebrated with a feast of fruits in keeping with the Mishnaic description of the holiday as a "New Year." In the 16th century, the Kabbalist Rabbi Yitzchak Luria of Safed and his disciples instituted a Tu BiShvat Seder in which the fruits and trees of the Land of Israel were given symbolic meaning. The main idea was that eating ten specific fruits and drinking four cups of wine in a specific order while reciting the appropriate blessings would bring human beings, and the world, closer to spiritual perfection.

In Israel, the Kabbalistic Tu BiShvat Seder has been revived, and is now celebrated by many Jews, religious and secular. Special Haggadot have been written for this purpose.

In the Hasidic community, some Jews pickle or candy the etrog (citron) from Sukkot and eat it on Tu BiShvat. Some pray that they will be worthy of a beautiful etrog on the following Sukkot.

Tu BiShvat is the Israeli Arbor Day, and it is often referred to by

that name in international media. Ecological organizations in Israel and the Diaspora have adopted the holiday to further environmental awareness programs.

On Israeli kibbutzim, Tu BiShvat is celebrated as an agricultural holiday.

On Tu BiShvat in 1890, Rabbi Ze'ev Yavetz, one of the founders of the Mizrahi movement, took his students to plant trees in the agricultural colony of Zichron Yaakov. This custom was adopted in 1908 by the Jewish Teachers Union and later by the Jewish National Fund (Keren Kayemet

LeYisrael), established in 1901 to oversee land reclamation and reforestation of the Land of Israel. In the early 20th century, the Jewish National Fund devoted the day to planting eucalyptus trees to stop the plague of malaria in the Hula Valley; today the Fund schedules major tree-planting events in large forests every Tu BiShvat. Over a million Israelis take part in the Jewish National Fund's Tu BiShvat tree-planting activities.

In keeping with the idea of Tu BiShvat marking the revival of nature, many of Israel's major institutions have chosen this day for their inauguration. The cornerstone-laying of the Hebrew University of Jerusalem took place on Tu BiShvat 1918; the Technion in Haifa, on Tu BiShvat 1925; and the Knesset, on Tu BiShvat 1949.

In the diaspora, starting especially in North America in the 1980s, Tu BiShvat became treated as the Jewish "Earth Day" — with contemporary communities emphasizing all kinds of actions and activism related to the environment and the natural world.

As Promised

Chanukah is always on the 25th.... the 25th on the Hebrew month of Kislev!

*A reflection of Cantor Bruce Shapiro d'var Torah during the Shabbat morning service,
just prior to Chanukah (Hanukkah) beginning that evening.*

“Although it does often fall around the same time of year, Hanukkah is not just the Jewish equivalent of Christmas.

This yearly celebration (Hanukkah will take place from this evening until Monday, December 26 (last day) is actually a commemoration of a religiously significant event—namely, a successful revolt led by the Maccabees (i.e., the heroes of Hanukkah) against their Syrian-Greek oppressors, and the subsequent rededication of the Second Temple in Jerusalem. The story goes that in the aftermath of the revolt, the desecrated temple had only enough oil for one ritual nightly lighting of the menorah. However, by a miracle from God, that small amount of oil was able to last for eight full days, giving the Jewish worshippers enough time to procure more. Today, Hanukkah (also known as the Festival of Lights) is a happy occasion when families and friends gather together to celebrate the triumph of light over darkness by lighting candles for eight nights and enjoying some of the festive Hanukkah traditions together.”
(www.purewow.com)

Please join us this coming Friday evening at 6:15 PM when we will gather at CBS to light our Chanukiyot together as a community followed by the lighting of the Shabbat candles welcoming in Shabbat! We will sing Chanukah songs, Daven Kabbalat

<https://unitedwithisrael.org/watch-are-you-ready-for-CHANUKAH-STAR-WARS-STYLE/>

Shabbat together and eat Sufganiot (donuts) and other goodies at our Oneg!

Remember, services start around 6:35 PM, but the community lighting will begin at 6:15 PM!

May the light of the holiday bring light, joy, peace, love, good memories, and laughter to your home!

From Cantor and family to you: Chag Chanukah Sameach! Happy Chanukah!

Simcha Board Tree of Life

Congregation Beth Shalom has a beautiful Simcha Board, called the *Tree of Life*, on display as you enter the synagogue lobby.

This Simcha Board allows families and individuals to purchase leaves for \$180 each for:

- Simchas
- Milestones
- Birth of a child/grandchild
- Graduations
- Promotions
- Engagements
- Accomplishments and more!

For more information, contact Bruce Rouman (951) 847-4632.

Our young students are very concerned about the planet we are leaving for them. They are learning and experimenting on ways they can contribute. One very important step they have taken is [RECYCLING](#).

Our Oneg room, the room between the sanctuary and the kitchen, has [RECYCLING](#) containers for empty plastic bottles (and caps), glass bottles and cans. Please do not throw these items in the trash. They are brought to a recycling center. The money goes to our school.

EDUCATION *Report*

Marci Rouman, *Education Director*

I hope our teachers and students are having a winter break full of friends, family and memorable times. December at CBS was full of Chanukah memories and fun. Thank you to Cantor Bruce for the great Chanukah song leading this month. Our teachers were able to combine education with Chanukah fun this month. Miss Marta had different crafts for the students each week. The kids are so creative! On our last day of class before winter break, we again combined education and fun. Miss Melissa provided a festive snack of latkes and donuts. That is so traditional for Chanukah! The students also had the opportunity to assist in decorating the synagogue for Chanukah. Thank you to Tanya Spiegel for leading in the decoration department. Special thanks to Zophia Lindenbaum for all of her assistance.

Here is some advance notice for some special spring events. A unique Purim performance is coming your way on March 6 at 6pm. Do not miss it! Also our famous Mishloach Manot fundraiser is coming as well!

RITUAL *Report*

Jackie Williams, *Ritual Chairperson*

Thank you to the following wonderful congregants who led services during the month of December: Joan Zak on December 9 and Bob Stone on December 30. In January it will be Joan Zak on January 13 and on January 27 Jessi Rouman will be leading services. Thank you all very much.

On December 23 during Hanukkah, we held our annual community Hanukkiot lighting just before Shabbat services. The Cantor led us in songs, prayer and later led the services that evening.

The Ritual Committee has started to plan for Tu B'Shevat, Purim, and Pesach. We are a very busy Committee.

On Sunday, February 5 we will hold the World Wide Wrap and brunch at the synagogue during Religious School.

From the 'HOODS'

The HOODS - CBS's Brotherhood / Sisterhood, would like to have some events for the "sisters" of the congregation. Trees Planted In The Holy Land

Over 100 years ago, Jewish National Fund-USA began to replenish the native vegetation of the Holy Land that had disappeared or been destroyed. The Bible tells us that God originally filled the land with olive, pine, cypress, tamarisk, acacia, and carob trees. These are the species that we plant today to renew and nurture the land.

Send a beautiful personalized tree certificate to your family, friends, or loved ones, to show your expression of sympathy or in recognition of a special occasion.

Planting trees in Israel is a beautiful way to show you care. Plant three trees for a ring of trees (\$60), five trees for a circle (\$95), and ten trees for an orchard (\$180).

There's always a reason to plant trees:

Anniversary, Bar/Bat Mitzvah, Birthday, Congratulations, Father's Day, For Your Pet, Get Well, Graduation, In Honor Of, In Memory Of, Mother's Day, New Baby, New Year/Rosh Hashanah, Retirement, Thank You, Wedding, etc.

CBS will have a custom certificate recognizing your donation and mail it to your home, relative or friend.

Legacy AWARDS LUNCHEON **SHOMER TZEDEK AWARD**

THE GUARDIAN OF RIGHTEOUSNESS

Congregation Beth Shalom is pleased to honor ABC Hopes, founded by Katie Moore, with the Guardian of Righteousness (Shomer Tzedek) Award which is presented to a community partner who validates the tenets of Judaism in the greater Corona community. This award will be presented to ABC Hopes at CBS' 16th Annual Legacy Luncheon which will take place on Sunday, April 23, 2023, as part of the synagogue's annual Legacy Awards recognition event. Additional honorees are The Silver Dollar Pancake House; owners Robert and Diana Hernandez who will receive the Shatuf Tzedek (Business Partner) Award and Mark and Paula Fogel, and Joan Zak and Dennis Brooks who will receive the synagogue's Legacy Award. What follows is a "bio" of ABC Hopes and the organization's contributions to the community

Katie Moore is a dedicated sister, daughter, community member, and leader with a passion to serve and help others. Katie was born in Orange County, California to Mike and Jane Moore and was raised in Corona with her four siblings. Katie was an avid student and athlete, graduating from Corona High School in 2002. After graduation, Katie attended Riverside Community College where she received her associate degree and then moved to New York to pursue her undergraduate

degree in Elementary Education at St. John's University. While attending St. John's, she had the privilege of working for the women's basketball team. Katie graduated with her bachelor's degree in 2008 and moved to Sacramento, CA to work and volunteer with the Autism Center at Sacramento State University. She spent eight months in Sacramento before deciding to head back to St. John's and pursue a master's degree in School Counseling as well as accepting a position as a graduate assistant for the women's basketball team.

In 2012, while finishing school in New York, her father shared with her that her younger brother, Christopher, who was born with Down syndrome, was struggling with the concept of not having school to attend and what to do. Katie always wanted to have Christopher work alongside her, but how this would happen was the question. Katie knew she wanted to provide an opportunity for Chris to be involved in the community, continue learning, and give back. She reached out to her family for suggestions on what to call this "opportunity," which is how the non-profit organization, ABC Hopes, came about. ABC Hopes stands for, "All Because Christopher Hopes – Hands Offering People Empowerment in Society."

ABC Hopes, Inc. was established as a 501(c)(3) organization in 2012. ABC Hopes was founded with an emphasis on improving the lives of persons with intellectual disabilities through the development of

The Guardian of Righteousness

social, physical and life skills programs. When ABC Hopes got its start, Katie set up a produce stand with student workers at various farmers' markets in the cities of Anaheim and Corona, selling produce from her family's farm in Valley Center, CA to advertise and promote the organization. This opportunity provided visibility to ABC Hopes in the community as well developing the cash handling and customer interaction skills for the student workers.

The biggest task Katie and ABC Hopes took on in recent years was supporting the Corona Chamber of Commerce and City of Corona with the 2015 Host Town program for the Special Olympics. This was not a small task because ABC Hopes hosted not only one city but two! Katie coordinated the details of the events, while arranging travel and food for the participants and communicating with the various leaders in the city. It was a true community effort.

In 2016, Katie created ABC Hopes Fitness, which provided gym workouts to individuals who were a part of the ABC group. Initially the fitness programs started in Corona at CrossFit Proper. Over the years, additional partnerships were formed to serve Riverside, Orange, and northern San Diego counties. These fitness partners included My Day Counts in Anaheim, CrossFit Lifted in Corona, Crunch Fitness in Corona, No Limit Personal Training in Placentia, CrossFit Trifecta in Vista, and Tri City Wellness Center in Vista.

Katie's vision for ABC Hopes was to have a facility and be able to offer a place for people like Christopher to participate in programs and have a place to call their own something akin to a Boys and Girls Club. In June 2022, just shy of celebrating the ten year anniversary as an organization, ABC Hopes found its new home in a 6,000 square foot facility in Corona. The ABC Hopes "WhereHouse" is the place "WHERE we get fit, WHERE we have fun, and WHERE we are

free to be."

In 2022, the ABC Hopes "Extra Innings Program" was created to provide social, educational and life skill opportunities with arts, crafts, cooking, baking with classroom learning and workshops. In the summer of 2022, this program was piloted and fully launched in Fall of 2022, providing programs Monday through Thursday from 4:30 p.m. to 6:30 p.m. Fitness classes have been expanded to four days a week with three or four classes each day including in-person/zoom formats.

Katie has received numerous awards for her leadership and community impact including the "Rising Star Award" which is years, the business owner who has operated a successful business for less than five years, the "40 under 40" Award which was awarded to the region's top

40 business leaders under the age of 40 and Katie is also a graduate of the Corona Chamber of Commerce's Executive Leadership Roundtable Class of 2017-2018.

Katie is enthusiastic about seeing her brother and other friends with special needs live their lives to their fullest potential. She enjoys being involved in the daily programs that ABC Hopes provides. Katie values all the individuals who are a part of ABC Hopes and the honesty, integrity, and dedication that has been fostered through this organization. Katie is proud of the culture she has created at ABC Hopes, along with her team, to make the community better.

Katie is a proud aunt to her niece and two nephews and loves working in Corona to be able to attend her family's sports practices and games. In her free time, Katie enjoys going to the beach, spending time with her dog, Lola, hiking, traveling, and enjoying good food and wine.

JANUARY BOOK SELECTION

Even as a child in 1910, Sara Glikman knows her gift: she is a maker of matches and a seeker of soulmates. But among the pushcart-crowded streets of New York's Lower East Side, Sara's vocation is dominated by devout older men—men who see a talented female matchmaker as a dangerous threat to their traditions and livelihood. After making matches in secret for more than a decade, Sara must fight to take her rightful place among her peers, and to demand the recognition she deserves.

Two generations later, Sara's granddaughter, Abby, is a successful Manhattan divorce attorney, representing the city's wealthiest clients. When her beloved Grandma Sara dies, Abby inherits her collection of handwritten journals recording the details of Sara's matches. But among the faded volumes, Abby finds more questions than answers. Why did

Abby's grandmother leave this library to her and what did she hope Abby would discover within its pages? Why does the work Abby once found so compelling suddenly feel inconsequential and flawed? Is Abby willing to sacrifice the career she's worked so hard for in order to keep her grandmother's mysterious promise to a stranger? And is there really such a thing as love at first sight?

Siman Tov u'Mazel Tov!!!!

A beautiful courtship culminated in exchanging wedding vows—as the groom, Joshua Koren (son of Mark and Gail Koren) surprised his bride, April with a December 27 ceremony at the courthouse steps!

The couple will reside on the East Coast while Joshua continues serving our nation in the U.S. Navy. Congratulations to all the Koren families!!

Lessons My Jewish Mother Taught Me

My mother taught me TO APPRECIATE
A JOB WELL DONE:

"If you two are going to kill each other,
do it outside - I just finished cleaning!"

My mother taught me RELIGION:

"You better pray that stain will come out
of the carpet."

My mother taught me about TIME

TRAVEL:

"If you don't behave, I'm going to knock
you into the middle of next week!"

My mother taught me LOGIC:

"Because I said so, that's why."

My mother taught me FORESIGHT:

"Make sure you wear clean underwear,
in case you're in an accident."

My mother taught me IRONY:

"Keep crying and I'll *give* you
something to cry about."

My mother taught me about the science
of OSMOSIS:

"Shut your mouth and eat your supper!"

My mother taught me about CONTORTIONISM:

"Will you *look* at the dirt on the back of your neck!"

My mother taught me about STAMINA:

"You'll sit there 'till all your spinach is finished."

My mother taught me about WEATHER:

"It looks as if a tornado swept through your room."

My mother taught me about HYPOCRISY:

"If I've told you once, I've told you a million times –
Don't Exaggerate!!!"

My mother taught me THE CIRCLE OF LIFE:

"I brought you into this world, and I can take you out."

My mother taught me about BEHAVIOUR
MODIFICATION:

"Stop acting like your father!"

My mother taught me about ENVY:

"There are millions of less fortunate children in this
world who don't have wonderful parents like you do!"
