2026 Legacy Luncheon Honorees

Congregation Beth Shalom's Legacy Luncheon is an annual fundraising event honoring those who make a difference in our community. The Tzedakah Award honors an organization for its outstanding commitment to generosity, social justice, and helping those in need. The Shomer Tzedek Award (Guardian of Righteousness Award) honors individuals who generously give back to the community. The Shatuf Tzedek Award (Business Partner Award) honors the contributions this business has made to our community.

Tzedakah Award

The Circle City Rotary was established in 1989 and was founded with a pioneering spirit to promote inclusivity and services within the community. At that time, many local rotary clubs did not allow female members. The Circle City Rotary Club was chartered specifically to welcome women, making it a trailblazer in fostering diversity and equality within Rotary International. Circle City Rotary is known for its Fire and Ice Chili Cook-off and the Craft Beer Festival, both of which are annual events.

The Corona Rotary was established in 1922. The Corona Rotary Club is one of the oldest and most impactful service organizations in the Inland Empire. The club has a rich legacy of community service and has raised over two million dollars to support youth organizations in the Corona area. The club's Lobsterfest, held annually on the lawn of the Corona City Hall, is a signature event that raises funds for youth and community organizations.

Shomer Tzedek Award

Tom Richins serves on Corona's City Council and was Mayor in 2024. Tom is the co-owner of Strong Electric, headquartered in Corona. Sunny Richins is an architect and the owner of Align Architecture, which oversees general architectural design in the Corona/Inland Empire region. Both Tom and Sunny are involved in the Corona Historic Preservation Society, a nonprofit organization whose mission is to protect, preserve, and promote the city's historic resources, including its buildings, neighborhoods, artifacts, and cultural heritage.

Shatuf Tzedek Award

Do It American Manufacturing Company, LLC, is a firm based in Corona and was founded in 2008 by Kathy & Jon Armstrong. They established the company during a significant economic downturn, driven by a shared belief that high-quality manufacturing could thrive in the United States, even during challenging times. Do It American serves a diverse clientele with a significant focus on public utilities. The Armstrongs are committed to demonstrating that manufacturing in the United States can be both cost-effective and outstanding.
